

# PERSONAL STANDARDS

## RELATIONSHIP WITH JESUS

We take personal responsibility for our relationship with Jesus and intentionally grow in Him by spending time with Him. He is our highest priority and greatest love.

## RELATIONSHIPS WITH OTHERS

We are actively involved in a small group and/or seek personal discipleship that provides a platform for vulnerability, exhortation, and encouragement.

## FREEDOM FROM HABITUAL SIN

We walk in freedom from habitual sin.

Serving on the worship team is considered a place of leadership within the church. It is important that our leaders are serving from a place of personal health. If you are struggling with an area of habitual sin of any nature, we believe it is best that you step away from your position of leadership to prioritize getting restored in this area. We do not consider removal from the worship team a disciplinary measure, but rather the healthiest decision for you and the people you are serving. If you have any questions regarding this policy or your personal standing with regard to it, please reach out to your team leader or contact the Worship Pastor directly.

# TEAM STANDARDS

## DRESS CODE

To make this simple, **please don't make wardrobe a distraction** or priority over serving the people of God in worship! If you have question about your clothing, just lean toward the safe side to avoid any unfortunate trips home to change 😊

### PANTS

Pants should fit conservatively and should not have holes that expose areas of skin larger than a quarter. Also, please wear pants made of denim or thick material not leggings or jeggings.

### DRESSES

If a woman would prefer to wear a dress, we ask that the dress be full-length, loose fitting, modest in presentation, and capable of remaining modest with movement (such as dancing in worship!)

### SHIRTS

Your shirt should have sleeves, should cover your chest when leaning over, and should be long enough to cover your stomach with hands raised. Please ensure that your shirt **DOES NOT CONTAIN ANY** words, abstract graphics, or pictures.

### SHOES

Shoes are required for all services. Men, please wear closed-toe shoes. Women, please wear either closed-toe shoes or dressy sandals.

### HATS

Please do not wear hats while leading any service. This is not a doctrinal point for our church, but simply a way for us to eliminate distractions.

# RESPONDING TO PCO

Please respond to PCO requests in a timely manner! This better enables us to find a replacement if you are unable to accept your serve request. We ask that you respond to PCO requests **no later than two weeks before your scheduled event**
